

The Department of Physics and the Physics Club at Gordon College are pleased to invite high school physics students to...

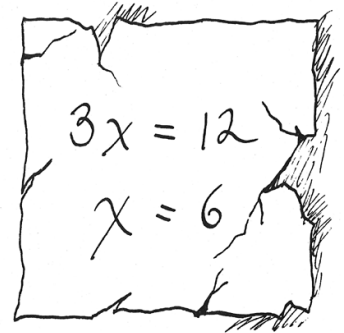

# Wednesday Evening Physics Study Halls

(a few of our majors having dinner together)

Do you find physics challenging? Let us help:

- clarify concepts and principles,
- guide you through tricky problems
- support your learning of physics

A hand-drawn sketch of a piece of paper with a torn edge. On the paper, the equations  $3x = 12$  and  $x = 6$  are written in black ink.

**When: Wednesday evenings, 7pm - 9pm**

**Where: Ken Olsen Science Center, rm 226**

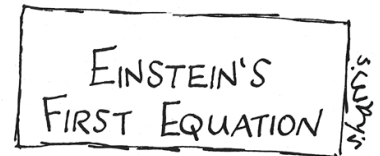

(the 2nd floor Intro Physics Lab)

**Who: Anyone in high school physics**

**Cost: Pay-as-you-think-is-appropriate**

(all \$\$ fund this & other Physics Club activities)

**Your helpers: Physics majors from Gordon College**

A hand-drawn rectangular box with a slightly irregular border. Inside the box, the text "EINSTEIN'S FIRST EQUATION" is written in capital letters. To the right of the box, the word "SLIP" is written vertically.

# See you there!
